Susan H. McFadden

Susan McFadden is the Chair of the UW-Oshkosh Psychology Department where she has taught since 1985. Her main interests are in the area of adult development and aging and the psychology of religion. She has combined these interests in a number of research projects and scholarly articles that address the role of religion and spirituality in adjustment to the aging process. Dr. McFadden also works with people with advanced dementia. She is interested in their expressions of creativity, emotion, and sociability, as well as the effects of their living environments on their behavior.

Dr. McFadden's work has appeared in the *Journal of Religious Gerontology* and *Geriatric Care Management Journal*. She has co-edited numerous books on religion, spirituality, and aging.
