AARP Tax-Aide is a program of the AARP Foundation,
offered in conjunction with the IRS.

AARP Tax-Aide is...

- the nation's largest, free, volunteer-run tax assistance and preparation service;
- a charitable nonprofit that provides a quality service that helps taxpayers with low- and middle-income, with special attention to those age 60 and older.

AARP Tax-Aide Volunteers are...

- over 32,000 individuals who give their time and expertise to help others;
- all ages, races, ethnic groups, income levels, and educational backgrounds;
- reimbursed on a limited basis for qualified program-related expenses.

Volunteer as a...

Tax Assistance Counselor

- Become certified by self or classroom training, and by passing the IRS exam;
- Provide free tax assistance by preparing tax forms or answering tax questions;
- Help the customers one-on-one at tax sites and/or volunteer as Internet tax counselors at www.aarp.org/taxaide;
- Feel good about helping others!

Leadership Coordinators

- May have knowledge about doing taxes, which is helpful but not a requirement;
- Recruit, train, and supervise individuals within a site or multisite locations as a local or district coordinator;
- Form and implement state and national partnerships as a partnerships and communications coordinator;
- Use computer and software knowledge to train and/or help other volunteers to file taxes electronically as a technology coordinator;
- Help this program serve grateful taxpayers in your community!
