The AARP Foundation is AARP's affiliated charity. Foundation programs provide security protection and empowerment for older persons in need. Low-income older workers receive the job training and placement they need to re-join the workforce. Free tax preparation is provided for low- and moderate-income individuals, with special attention to those 60 and older. The Foundation's litigation staff protects the legal rights of older Americans in critical health, long-term care, consumer and employment situations. Additional programs provide information, education and services to ensure that people over 50 lead lives of independence, dignity and purpose. Foundation programs are funded by grants, tax-deductible contributions and AARP.

AARP Tax-Aide is...

- a free, quality, volunteer-run assistance and preparation service that can transmit your return directly to the IRS;
- a confidential service that assists with the preparation of tax returns and answers tax questions;
- a charitable not-for-profit program;
- available to taxpayers with low- and moderate-income, with special attention to those age 60 and older;
- more than 34,600 dedicated and proud, trained and IRS-certified volunteers from your neighborhood.

Since 1968, AARP Tax-Aide has helped more than 47.7 million taxpayers file their returns. AARP Tax-Aide sites are located in convenient places such as libraries, malls, banks, and senior centers. In some instances, we can visit taxpayers in nursing homes and other locations, if they are physically unable to visit a site.

Who can take advantage of AARP Tax-Aide?

Low- and moderate-income taxpayers are eligible to use our free tax preparation service. Please note that those taxpayers with complex tax returns will be advised to seek professional tax assistance.
