

There are over 300 kids in King County waiting for a Big Brother or Big Sister!

GenerationBIG

You can make a **BIG** difference in the life of a child!

Becoming a Big Brother or Big Sister is a fun and easy way to benefit your community in a **BIG** way. All you have to do spend time having fun with a local child!

Transportation will be provided from several local senior centers to a nearby elementary school. You'll meet with your Little Brother or Little Sister once a week at their school to talk, have fun, and work on academics together.

After you've met with your Little, you'll get to meet with other members of your *Generation**BIG*** group to share stories about your experience.
