

# How Can We Know If They Don't Show?

## *AARP Sponsored Forum on Healthcare and Financial Security*

Long-term financial security and access to quality health care – important priorities with complex answers. These are issues central to the American dream, and critical to Iowans' voting decisions. That's why AARP and Iowa businesses have joined together for a candidate forum in **Sioux City on October 25**. Through this national broadcast, all Iowa caucus-goers and American voters can learn where the Republican presidential candidates stand on these issues.

But we need your help. John McCain and Mike Huckabee will be there. Fred Thompson, Mitt Romney and Rudy Giuliani say they don't know.

## **If You Want Answers, Make The Call**

Call toll-free 1-888-578-7775 and tell Fred Thompson, Mitt Romney and Rudy Giuliani that you want them to participate in this important Divided We Fail Issues forum on health care and financial security.
